Dear Executive Mayor Cllr Ngwenya

IN APPRECIATION TO EMAKHAZENI LOCAL MUNICIPALITY

We notice that Emakhazeni Local Municipality remitted an amount of R 9 548 691.44 towards the arrear debt on the Eskom account. We would like to take this opportunity to express our appreciation and confirm that the impending supply interruption that was envisaged to commence on 23 January 2017 has been averted.

The following towns/municipal areas within Emakhazeni Local Municipality will no longer be affected:

EMAKHAZENI LOCAL MUNICIPALITY TOWNS/POINTS OF SUPPLY TO AFFECTED
Belfast Town
Emthonjeni Town
Waterval Boven
Machadodorp

Once again, we appreciate the cooperation that led to this breakthrough. We encourage the Municipality to henceforth adhere to the negotiated payment agreement to avoid being in breach of the agreement.

It should be further noted that Eskom is obliged to supply electricity on a financially sustainable basis. Should Emakhazeni Local Municipality default from the signed payment arrangement, Eskom shall without further notice, reinstitute such remedial action and/or disconnect the supply within 7(seven) days.

Eskom values your custom and would invite you to contact us if we can be of assistance.

All of Eskom's rights are reserved.

Yours sincerely
